

PROFESSIONAL SUMMARY

To secure a challenging position in a growth-oriented organization where I can enhance my skills and knowledge and so that become a valuable part of the organization.

KEY EXPERTISE

Team Work | Hardworking | MS Word | MS Excel | Time Management | MS PowerPoint | Problem Solving

EDUCATION

Sagar Group of Institutions - SISTec

2022 - 2026

B.Tech. - Mechanical Engineering - SISTec-E | CGPA: 7.78 / 10

Divya Jyoti gyan mandir H.S. School , Naun Kalan, Hanumana, Rewa

2022

12th | MPBSE | Percentage: 79.20 / 100

Divya Jyoti Gyan Mandir H.S. School, Naun Kalan, Hanumana, Rewa

2020

10th | MPBSE | Percentage: 80.50 / 100

INTERNSHIPS

BEND JOINTS PVT. LTD Bhopal | Manufacturing / Core

09 Jul, 2025 - 08 Aug, 2025

Production Engineer

Key Skills: Work Management | Lean Manufacturing | Fabrication | 5s

Completed a 1 Month internship at Bend Joints Pvt. Ltd., Bhopal, focused on the fabrication of bottom bank coils for the Sanjay Gandhi Thermal Power Station (SGTPS), MPPGCL, Birsinghpur. Gained hands-on experience in mechanical fabrication processes, maintenance operations, and lean manufacturing practices including Kaizen, 5S, and Just-In-Time. Collaborated with the production team to understand workflows, welding techniques, and quality control measures in boiler component fabrication. Developed skills in time management, discipline, and professional conduct within an industrial environment. Strengthened technical acumen, problem-solving ability, and adaptability while working on a live power plant project.

PROJECTS

Design and Manufacturing of a Go-Kart

15 Sep, 2025 - 15 Oct, 2025

Mentor: Prof. Bhoopendra Singh | **Team Size:** 20

Key Skills: Manufacturing process | Fabrication | Team work | Time management | Assembly

Designed and fabricated a single-seat go-kart with a focus on safety, performance, and cost efficiency. Applied mechanical engineering principles in steering, braking, and power transmission design. Improved practical skills in welding, fabrication, testing, and teamwork.

Ecofriendly Refrigerator based on Thermoelectric Effect

13 Oct, 2024 - 17 Oct, 2024

Mentor: Chandra Kumar Pardhi | **Team Size:** 5

Key Skills: Prototyping and experimental testing

This project objective is to design an eco-friendly refrigerator that uses the thermoelectric effect for cooling. It works with thermoelectric modules (Peltier devices) that transfer heat using electricity, without any moving parts or harmful gases.

ASSESSMENTS / CERTIFICATIONS

NPTEL

Provider: IIT Kanpur

Aggregate: 55 / 100

Subjects: Engineering metrology (55 / 100)

NPTEL

Provider: IIT Kanpur

Aggregate: 61 / 100

SEMINARS / TRAININGS / WORKSHOPS

Heating , Ventilation , and Air Conditioning

20 Aug, 2025 - 02 Sep, 2025

Institute Name: Centre for Research and Industrial Staff Performance

Key Skills:

Installation of HVAC SystemOperation and Maintenance of ChillerUse of HVAC toolsVentilation System Design

Gained practical knowledge of HVAC, installation , beginning with the fundamentals of heating, ventilation, and air conditioning systems. I learned about ventilation systems , airflow, and duct design, followed by heat load calculation and the basics of chiller plant.

Industrial Hydraulics

09 Sep, 2024 - 21 Sep, 2024

Institute Name: Centre for Research and Industrial Staff Performance

Key Skills:

Hydraulic Circuit DesignAnalytical ThinkingHands on ExperienceSafety ProceduresIndustry Standards

This training program covers the fundamentals of hydraulic systems used in industries. Participants learn how to de maintain hydraulic circuits and components such as pumps, valves, and cylinders. It also introduces basic control systems improve system performance and reliability.

CO-CURRICULAR ACTIVITIES

- I participated in technical event Robo War and Robo Race at the College cultural fest Euphoria

EXTRA CURRICULAR ACTIVITIES

- Member of Indian Institute of Industrial Engineering

PERSONAL INTERESTS / HOBBIES

- In my free time, I enjoy watching movies, which allows me to relax and explore different genres and storytelling styles."
